Coronado Island Marriott Resort

September 10-12

San Diego/Coronado, CA

Monday, September 9, 2013

4:00 pm - 7:00 pm	Welcome & Pre-Registration Reception Sponsored by:
-------------------	--

Tuesday, September 10, 2013

7:30 am - 8:30 am	Vendor Exhibits	Continental Breakfast & Registration Sponsored by:	
8:30 am - 9:00 am		Welcome and Opening Remarks	
9:00 am - 10:00 am		Session 1: Keynote - San Diego Initiatives This session will feature a panel of local justice practitioners discussing major initiatives in the San Diego area.	
10:00 am - 10:15 am		Morning Break	
10:15 am - 12:00 pm		NAJIS Roundtable - Justice IT Projects and Problems This interactive session is a great opportunity to share key initiatives in your jurisdiction and hear what others are doing around the country.	
12:00 pm - 1:30 pm		Luncheon: Sponsor Overviews Sponsored by:	
1:30 pm - 2:45 pm		Session 2 - The State of Justice Information Sharing; Facilitated Panel - Paul Wormeli This facilitated panel will discuss where we are, where we need to go, and how we will get there.	
2:45 pm - 3:00 pm		Afternoon Break	
3:00 pm - 4:00 pm		Session 3 - Mobile Apps Policy is far behind technology when it comes to mobile applications in justice agencies. San Diego is one of the leaders in the use of mobile, having addressed all the CJIS security requirements for the Android operating system. Attend this session to learn more about their very successful facial recognition in the field project.	Session 4 - Adaptive Project Management Formal project management methods are absolutely necessary for successful IT projects, but many project managers have learned from experience how to build more adaptive management approaches into their project management planning processes to better manage the risk of unexpected obstacles and setbacks. This session will focus on how adaptive project management techniques can improve the success rate of real-world IT projects.
4:00 pm - 5:00 pm		Session 5 - Regional information Sharing System - MARIS This session provides an overview of one region's approach to local data sharing. Discover what the Mid-Atlantic Region is doing to share data concerning probationers in the region, what is shared, and how it works. This session will explore what you and your neighboring states need to know about each other.	

2013 NAJIS Conference Agenda

5:30 pm	Networking Reception
---------	----------------------

Wednesday, September 11, 2013

7:30 am - 8:30 am	Vendor Exhibits ○	Continental Breakfast Sponsored by:		
8:30 am - 8:45 am		Announcements - Evaluation Prize Drawing		
8:45 am - 9:45 am		<p>Keynote Session 6 - Preventing the Misuse of Criminal Justice Information With extensive data sharing prevalent in almost all criminal justice organization, taking steps to prevent the misuse and abuse of criminal justice data is critical. Concerns relate not only to privacy but to the potential to compromise law enforcement and prosecutorial capabilities. Attend this session to learn about one state's solution to detecting the problem and what they are doing to make the information more secure.</p>		
9:45 am - 10:00 am		Morning Break		
10:00 am - 11:00 am		<i>Breakout A</i>	<i>Breakout B</i>	
		<p>Session 7 - Criminal History Record Management Quality: Comparing Different States In a perfect world, all criminal arrests and non-arrest case filings would be accompanied by defendant fingerprints, and biometrically linked defendant records would flow seamlessly to state and federal criminal history repositories. In some states this is exactly what happens, but while a number of states and jurisdictions have achieved high rates of fingerprint-based arrest and disposition matching, many states have not.</p>	<p>Session 8 - FirstNet: First Responder Network Authority</p>	
11:00 am - 12:00 pm		<p>Session 9 - Criminal History Challenges: Improving Completeness and Quality This session will follow up on the previous criminal history session to explore practices that lead to high rates of accurate criminal history record posting. Speakers will present real-life examples of states that have managed to overcome bureaucratic inertia to facilitate the availability of high quality information at key decision points in the justice process.</p>	<p>Session 10 - Criminal eFiling</p>	
12:00 pm - 1:15 pm		Luncheon, Sponsor Door Prizes Sponsored by:		
1:15 pm - 2:15 pm		<i>Breakout A</i>	<i>Breakout B</i>	
		<p>Session 11 - NICS Records and Extending Background Checks This is a foundational session on the scope of NICS requirements: what data it contains; where the data comes from; challenges of providing complete data. Differences between FBI checks and POC state checks.</p>	<p>Session 12 - To NIEF or Not to NIEF This session will provide foundational information about GFIPM, including how the standard works, the role of Identify Provider, Service Provider and Federated Management Organization. This session will include a discussion about options for establishing the Identity Provider: NIEF vs. other IdP/FMO approaches.</p>	

2013 NAJIS Conference Agenda

2:15 pm - 3:15 pm	<p>Session 13 - Beyond Biometrics: Using Customer Resource Management Techniques While we know that linking criminal arrests and dispositions to unique individuals is challenging, the private sector has for many years been matching its customer purchases and interactions to unique individuals with a high degree of success. How can we leverage the advances in customer identification in the private sector for criminal history and offender risk management?</p>
-------------------	--

Thursday, September 12, 2013

8:00 am - 8:30 am	Continental Breakfast and Evaluation Prize Drawing - Vermont Room	
8:30 am - 9:30 am	<p>Session 14 - Risk Mitigation of using the Cloud With the offer of improved scalability, reduced costs and business continuity, cloud technology has held much promise for government initiatives. However, security concerns have limited the adoption within Justice entities. This session will discuss the risks associated with leveraging cloud technology within justice agencies and recommendations to help mitigate those risks.</p>	
9:30 am - 10:30 am	<p>Session 15: RMS, CMS, JMS, PMS</p>	
10:30 am - 10:45 am	Break	
10:45 am - 12:00 pm	<p>Session 16: Where is the JIS Money?...& How to Get It With dwindling grant dollars, where can you find the money to support your JIS efforts? During this session you will hear where the money is, the types of projects and initiatives that are most likely to be supported with federal funds, and tips to getting it. You will also hear about creative funding solutions that have been successful outside of the typical federal granting sources that will help you sustain, and even enhance, your JIS initiatives.</p>	<p>Session 17: Standards Landscape An overview of the current state of Global Standards: Global Reference Architecture (GRA), National Information Exchange Model (NIEM), Global Federated Identity and Privilege Management (GFIPM); Global Technical Privacy Framework.</p>
12:00 pm - 1:15 pm	LUNCH	
1:15 pm - 2:30 pm	<p>Session 18: SAVIN: Repurposing Shared Data</p>	<p>Session 19: eWarrants Best practices and examples of successful implementations.</p>
2:30 pm - 2:45 pm	BREAK	
2:45 pm - 3:45 pm	<p>Session 20: Social Media On-line investigation overview and demonstration.</p>	
3:45 pm - 4:00 pm	Passport Drawing
